# Event FAQ

**Q: How do I register?**

A: Call the USF MBA Office or Email [mwarfel@coba.usf.edu](mailto:mwarfel@coba.usf.edu). You WILL receive a confirmation email and more detailed directions the Friday before the event.

**Q: Is this a full-length GMAT practice exam?**

A: This is a written practice exam which includes the Math and Verbal sections of the GMAT. The essay section is not included in the practice session.

**Q: Is this practice exam just like the real GMAT?**

A: No, but it is a good way to familiarize yourself with the type of questions that you will encounter on the GMAT. The GMAT is a Computer Adaptive Test, and this free practice is a written version.

**Q: What do I need to bring?**

A: Everything you need will be provided, but you are welcome to bring some sharpened #2 pencils if you would like to use your own. Also, the room could be cold, so you might want to bring a light jacket.

**Q: How long will it take?**

A: Be prepared to be here for about 3 ½ hours. This is a full-length version of the math & verbal sections of the test.

**Q: What is included in the results?**

A: You will receive your practice exam results within a few days of taking the test. They will be emailed to you along with an analysis of areas of strength and areas that need improvement.
